Dear [],

This is your last opportunity to let the Commission know about your experiences in teacher preparation. A few weeks ago, you were invited to participate in a survey of teachers who recently completed California preliminary preparation programs. The Commission is administering the survey to learn about practices that help new teachers be prepared for the classroom. The Commission depends on responses from new teachers like you in order to develop a database that reflects current practices.

Please note, **your last day to complete the survey is September 15, 2014.**

Use this link to access your survey: <> The survey will take about 20 minutes to complete. Once you have started the survey, you can return to it by clicking on this link.

Preparation programs must continually review their own practices and learn from exemplary programs. This survey gives you an opportunity to identify strengths and those areas in need of improvement in the program you just completed. Your individual experiences are very important for creating a complete picture of California's current teacher preparation programs.

If you have any questions or comments about the survey, please feel free to contact the Commission at Accreditation@ctc.ca.gov.

Thank you.
